

MARKO ZIVKOVIC

Frontend Developer

+1 (708) 437-1405 (USA) | +381 64-288-0704 (Serbia)

Adress: Smederevo, Serbia

markozivkovic1982@gmail.com

PROFILE

Frontend Developer with a strong track record in designing scalable project architectures and delivering polished, user-focused applications. Highly proficient in Next.js, TypeScript, and TailwindCSS, with hands-on experience in building and optimizing both single-page and multi-page applications. Passionate about modern UI/UX principles, clean code, and continuous learning. Currently seeking new opportunities to contribute to innovative frontend projects in dynamic teams.

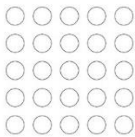

SKILLS

Languages & Frameworks: JavaScript, TypeScript, React, Next.js, Node.js

Styling: TailwindCSS, CSS3

App Types: Single-page (SPA) & Multi-page (MPA) Applications

Focus Areas: Scalable architecture, Exceptional UI/UX, Clean and maintainable code

EMPLOYMENT HISTORY

Frontend Developer

Prototaype.NEXT, Miami FL, USA (Remote)

January 2022 – Present

Develop and maintain responsive web applications using React, Next.js, TypeScript, and TailwindCSS. Work closely with cross-functional teams to design, implement, and optimize user-centric features. Contribute to scalable codebases and follow best practices in frontend architecture and performance optimization.

Key Accomplishments:

- Delivered multiple applications with high-quality UI/UX, achieving increased user engagement.
- Wrote clean, reusable, and scalable code for long-term maintainability.
- Collaborated with design and backend teams to define technical requirements and implement optimal solutions.
- Kept up with the latest frontend trends and technologies to drive innovation within the team.

PROJECTS

slavo.io

A modern learning platform designed to track and analyze student learning activity.

- Developed using Next.js, TypeScript, and TailwindCSS.
- Focused on frontend architecture, UI/UX, and performance.
- Contributed to dashboard design and activity-tracking features for enhanced learning insights.

pilates-smederevo.com

A business website for a local Pilates studio.

- Created a fully responsive, elegant design with smooth user flow.
- Focused on modern layout, clean code, and SEO best practices.
- Built with Next.js and TailwindCSS for maintainability and performance.
